

About Maison de la Famille

Ideally situated for exploring the Dordogne and the Limousin, Maison de la Famille has three attractive and comfortable fully-equipped gites situated around the main house. We are located in the centre of a small village about half way between Limoges and Périgueux.

Privately run with owners on site, Maison de la Famille has a small swimming pool and a covered games area - games include table tennis, pool, table hockey, shuffleboard and table football - all situated within a secluded garden.

Each cottage has direct access on to the garden and shared pool area and its own garden furniture.

Cots are available on request.

Amenities in the village include a boulangerie, bar and post office. Other shopping facilities are only 3kms away in the town of la Coquille.

Nearby lakes offer fishing for carp and trout as well as general coarse angling. Golf is available at courses near Limoges and Périgueux.
